

WIN WITH TALBOT ON

# DIRECTORS & OFFICERS INSURANCE

A solutions-oriented, reliable, and experienced team

Here's how Talbot's D&O team helps brokers win and retain business:

### Experience and knowledge

Talbot's D&O team is highly experienced across all facets of the D&O landscape, from both a global, and also a coverage perspective. The team has worked in both the company and Lloyd's markets, on all sizes of risk, through hard and soft markets, understanding the need to provide a commercial and intuitive approach to risk.

### Enduring and reliable

Talbot are a consistent and reliable partner to our brokers, valuing our long standing relationships with our mutual clients, with the goal of providing continuity throughout all market cycles.

### Responsive partners

The Talbot D&O team utilises their extensive experience in the class, and their localised decision making ability, to provide an exceptional service. We recognise the importance of delivering the highest quality of service and working with our brokers and clients to find the best possible solutions.

### Claims excellence

Talbot's dedicated Financial Lines claims team is highly experienced in the business and is well placed to understand and handle the nuances of all D&O profiled claims.

### Adding value

Our dual stamp is a unique way for the market to access AIG capacity alongside Lloyd's capacity through Talbot. We have the ability to deploy a dual stamp when collaboration helps brokers and clients, and we share AIG's resources and intelligence to increase the value we are able to offer our business partners.

## Talbot's D&O Sweet Spots

We typically write excess positions, on a lead or follow basis for a variety of products including Directors and Officers Liability, Pensions' Trustee Liability and POSI, and have a broad appetite across the majority of industry sectors, on a worldwide basis.

We specialise in Side A cover for a range of companies anywhere in the world, including US listed.
